Everyone at Bramble Cottage works closely together as a team to ensure that a quality care service is provided at all times.

Situated close to the city centre of Brighton & Hove with easy access to public transport, Bramble Cottage provides superior and spacious en-suite accommodation with balconies and terraces within extensive landscaped gardens. A truly town and country lifestyle choice!

We accommodate long-term stay, short-term respite care and convalescence and invite you to visit Bramble Cottage to see for yourself the comprehensive service that we have to offer!

Caring

Specialising in the provision of the highest standards of 24-hour residential care coupled with first rate customer service, every resident is treated as an individual. Compassionate, professionally-trained and dedicated staff provide personal care, assistance with washing, bathing and dressing as well as support throughout the day.

Residents are treated with dignity and respect and are supported by an individually-tailored, 24-hour plan of care. Medication administration, prescription collection and appointment booking are all part of the service aimed to promote wellbeing.

We encourage residents to retain an independent lifestyle and offer all the care, companionship, encouragement and support needed to help live life to the full.

People

Our carefully selected staff are fully-trained and offer all the care and support that may be needed. They are compassionate and dedicated with the majority having been part of the 'Bramble Team' for over ten years.

The manager and deputy manager of the home closely supervise and support the team so that employees feel motivated and valued.

Happy staff provide a warm and welcoming service and are all here to help in any way possible.

Accommodation & Facilities

At Bramble Cottage you will find luxurious, spacious and comfortably furnished suites and apartments with full en-suite bathroom, call bell, phone point and digital television (optional access to SKY television). Most suites have French doors opening onto a terrace or a balcony with splendid views of the gardens. We accommodate both couples and individuals alike.

We encourage residents to personalise suites by bringing in small items of furniture and cherished possessions.

Visitors are always welcome, and the lounges, dining rooms and outdoor terrace offer opportunities for socialising and relaxation with friends and family. Well-maintained landscaped gardens and terraces provide optional 'al fresco' summertime dining.

An in-house laundry and cleaning service is included in the fee. A complimentary wifi internet service is available in the lounges. A modern lift services all floors.

Health & Nutrition

Mealtimes are a very important part of the day and we work hard to ensure menu choices are varied, tasty and satisfying. Our chefs prepare nutritionally-balanced menu choices made with the best ingredients including fresh and seasonal fruits and vegetables.

Homemade soups, afternoon cakes, cream teas and hot and cold desserts are offered alongside themed suppers, an annual Summer Barbeque and a variety of seasonal celebratory meals. Complimentary pre-lunch alcoholic drinks are provided with non-alcoholic beverages and hot and cold drinks served throughout the day.

We always listen to residents' likes and dislikes and encourage feedback of ideas and suggestions for the development of menus.

Activities

A complimentary weekly entertainment programme offers a variety of in-house optional classes, including quizzes, arts and crafts, poetry, guest speakers, musical entertainment and exercises. Residents also enjoy outings to gardens, shops, the theatre, the local pubs and other accessible places of interest.
